

**Press Release:**

Curtin Maritime is thrilled to announce the appointment of Sandra Grujic as the new Chief Financial Officer.

Long Beach, CA. 07/18/2024: Curtin Maritime, a leading maritime services provider, is thrilled to announce the appointment of Sandra Grujic as the new Chief Financial Officer. In her position, Sandra will be pivotal in providing strategic financial oversight and leadership to support the growing business. As a key member of Curtin's Executive leadership team, Sandra will also be integral in strategic planning.

Sandra brings a wealth of experience to Curtin Maritime. She previously served as a Finance and Accounting Executive at Crowley, where she made significant contributions to the company's growth and profitability. Sandra's track record of success in providing strategic oversight and leadership aligns with Curtin Maritime's ambitions and goals.

"We are so excited to welcome Sandra to the Curtin Maritime family," said Martin Curtin, CEO at Curtin Maritime. "Her expertise in financial planning, strategy, budget management, and forecasting will be instrumental as we expand our operations and position ourselves as an industry leader. Sandra has a proven track record of success in the industry, and we look forward to the contributions she will make to our team."

In her new role, Sandra will serve as a chief financial steward and strategist and be a catalyst to manage costs and drive revenue growth. Her leadership will be integral in shaping company policy and financial goals. "I am delighted to join Curtin Maritime and be part of this talented team of professionals. The organization's growth and dedication to Integrity, Innovation, and Efficiency are exciting and one that I look forward to contributing to," said Sandra.

About Curtin Maritime: Curtin Maritime provides a wide range of marine transportation and construction services to clients throughout the United States. With a fleet of Marine assets and a team of experienced professionals, the company has built a reputation for delivering high-quality services safely and efficiently.
