

Pier Construction, Beecher's Bay, Santa Rosa Island, Ca.

Curtin Maritime approached American Civil Constructors to support their contract for pier construction and demolition at Beecher's Bay on Santa Rosa Island.

Curtin Maritime approached American Civil Constructors to support their contract for pier construction and demolition at Beecher's Bay on Santa Rosa Island. Curtin Maritime was there from the mobilization of all floating assets out of Stockton, California, to the demobilization off the coast of Santa Rosa Island. Curtin

Maritime supported our customer, ACC, by providing ocean towing, anchor handling services, and a bareboat barge charter. For your construction needs, Curtin Maritime's fleet of ABS certified barges is the best option when it comes to quality and affordability.

Santa Rosa Island is the second largest of the Channel Islands of California at 53,195 acres. Santa Rosa is located about 26 miles off the coast of Santa Barbara, California in Santa Barbara County and is part of Channel Islands National Park. Wikipedia
